“A Fresh Look at Regional Development in Central Ohio”

# WILLIAM MURDOCK

EXECUTIVE DIRECTOR OF  
THE MID-OHIO REGIONAL  
PLANNING COMMISSION

William Murdock, AICP, is responsible for the overall management of the agency including structure, personnel, finance and the implementation of policies and programs. He also represents MORPC before a variety of government, state and stakeholder organizations across the region, and expertise in the areas of community services, urban planning and redevelopment, which is critical as MORPC continues to grow and adapt to the changing needs of the region.
